STATINTL

Note: [REDACTED] USIB Secretariat called today

Bruce has compiled an INDEX to the contents of USIB Agenda  
and minutes and Secretarial notes (on memos, telecons, etc.)

He wants it deposited as "Historical" and, by extention, wants  
the minutes and Agency, etc, the index cites deposited as  
historical , also.

STATINTL

I told him that sounded OK to me and we left it that he would  
deal with [REDACTED] who handles his Records for him, in  
forwarding the request and Index [REDACTED]
